# SCHOOL IN BRIEF

---

Pragjyotish Senior Secondary School, Boragaon (Main Branch) and Maligaon (Primary Branch) is the pioneer of English medium education in this part of Guwahati city. The outstanding performance of its students year after year has proved beyond doubt the ability and experience of its faculty and management. This institution is more than sure that the students of this school are going to create special place in the heart and mind of people by their discipline and work culture.

Sri Mritunjay Shukla, the founder of this School with his farsightedness and hard work, has painstakingly dedicated the best part of his life to see that the benefits of better education reaching as far down as possible and not remain confined to a particular class of society. Now being overwhelmed by the co-operation of all its parents/guardian for more than four decades. Keeping in front the ever challenging mode of education and respecting the desire of its guardians and well wishers, the management of the school obtained CBSE affiliation in the year 2010.

The school has decided to give a complete face lift to this school's educational environment. It will not be out of place to mention here that the Pragjyotish School Society has decided to devote itself to innovate a method of teaching and learning which is thoroughly dedicated to ignite the hidden talents in our children and to raise them at par which can match the national and international standards
